IAP Cloud

We offer an institute cloud storage which provides each user with 50 GB for storing work and research data at cloud.iap.uni-jena.de this cloud is different from cloud.uni-jena.de.
To access the IAP cloud, you can log in with your IAP credentials. To access the FSU cloud, you can log in with your FSU credentials.

> ⓘ *Nextcloud features clients for Windows, Linux, Android, F-Droid, macOs and iOS too, just check the official app stores.*
